Subject: RE: Your help with recruiting for MPD's BluePath program

Given your involvement in the community, I thought you might have some good ideas for where they could recruit high school seniors for the program.

I would be happy to sit down and answer any questions they might have. Just let me know what will be good for them.

Hey Harold. I think I sent you information about [MPD's BluePath program](#) last week – as you know, I'm involved because we helped facilitate the creation of the program, and we're also funding the recruiting and marketing effort for it.

I'm reaching out to connect you to Julieanna Walker and Austin Baker of HRO Partners who are playing point on recruiting. They're trying to drum up interest/recruits among high school seniors and it occurred to me that you might be a great source of help for them. It's time sensitive – the application deadline is Nov 15. So any ideas and help you can provide would be fabulous!

Blair
